

ManageAssist, Inc. / MI Going PRO Talent Fund Program Grant

ManageAssist is a professional training company offering a broad range of practical training courses for existing employees in the manufacturing, distribution, and service industries. Our curriculum features Lean, Six Sigma, Project Management, Operations Management, Quality, Supervision/Management and Customer Service.

ManageAssist Training Highlights:

- Onsite in an interactive workshop format
- Curriculum and practical application tailored to your company's specific situations
- Expert instructors with an average of 25 years' practical implementation experience
- Flexible scheduling: 8-hour training day available in 8-, 4-, or 2-hour sessions
- We assist you with the grant application and guide you through the submission process

We also assist clients in securing a Michigan State grant that can cover training costs!

Grant Parameters:

- **Grant Covers/Reimbursement:** Training costs covered 100% when you meet program requirements
- **Maximum Grant Award:** \$250,000
- **Trainees:** A mix of frontline/hourly and management, current and new
- Participants must be permanent, Full-Time employees, and work in Michigan
